

## LOCAL AUTHORITIES

### ADDED VALUE – COST EFFECTIVE RECRUITMENT SOLUTIONS

TEMP-TEAM has a proven track record working with local authorities, adding value to help facilitate improved efficiencies in line with government initiatives.

Our focus has been on thorough induction methods and training with manual workers; comprehensive referencing and briefing with clerical personnel.

#### KEY ASPECTS OF OUR SERVICES ARE

- E-procurement
- On-site induction program
- Health and Safety briefing
- Key performance indicators
- CRB checks
- Training and performance assessments
- Skills matrix
- Close personal contact
- Close follow-up

Local authorities and their nominated suppliers are under constant pressure to improve efficiencies and wherever possible make cost savings.

TEMP-TEAM will work with you to help achieve your targets. Benefits to the local community and recycling are at the heart of both local authority plans, and the TEMP-TEAM ethos.
