

SALES & MARKETING

WE PROVIDE RESULTS ORIENTATED CANDIDATES

TEMP-TEAM understands the success criteria in sales and marketing.

There is a shortage of sales and business development personnel and yet an ever growing need for such people across all organisations.

We use electronic and printed medias and alternative methods of advertising to identify individuals with the potential to excel in sales.

In addition, our extensive database of candidates across the branch network allows us to source from a wide geographical area.

TEMP-TEAM is committed to helping each and every applicant, we maintain regular contact with them striving to ensure we are held in high regard by all candidates. In turn, positive word of mouth referrals mean we are well placed to assist with the recruitment of sales personnel.
