WAREHOUSE & DISTRIBUTION

MEETING THE NEEDS OF YOUR ENTIRE DISTRIBUTION CHAIN

TEMP-TEAM can help you with a workforce that is readily available at short notice and designed to cover your entire distribution chain, from heavy goods drivers and fork lift truck operators to order pickers and warehouse operatives.

The warehouse and distribution sector has become a major employer in the UK as manufacturing companies move their production facilities abroad.

Logistics organisations face many day-to-day challenges such as fluctuating customer demands, seasonal increases in workload and back-logs due to sickness or transport issues.

TEMP-TEAM is able to provide comprehensive support during periods when your business experiences unexpected disruptions.

KEY ASPECTS OF OUR SERVICES ARE

- 24-hour, 7-day response
- Verification of licenses and certificates
- On-site induction program
- Key performance indicators
- Health and Safety briefing
- Regular service reviews
- On-site account management
- Close follow-up
